aries SOUTH

libra NORTH

moving from

Self to others, me to we, anger to empowered action

hero's journey

Safeguarding people's individuality, helping them reclaim their true selves. Teaching them not to lose themselves in relationships.

Learning to be outspoken but diplomatic

achilles heel

Selfishness, making it all about you, unwillingness to compromise

build your following by

Telling other people's stories as well as your own. Lifting up others. Collaborating with complementary partners instead of making it a full solo act. Making others the "hero" of your stories, sharing tales of people triumphing over codependence and victimhood.

Empowerment. Helping people express anger, autonomy and assertiveness in a healthy, constructive way.

libra north NODE *madonna*

A consummate individual and Aries south node firecracker, Madonna's can't-stop-won't-stop energy keeps her eternally young. While she's spread more ubiquitous trends than we can count on our fingerless lace gloves (Kabbalah, yoga, Vogue-ing), she rose to her diplomatic Libra north node with Raising Malawi, her humanitarian organization in the native country of her four adopted children.

taurus SOUTH

scorpio NORTH

moving from

material to spiritual, paycheck earner to financial freedom, self-gratification to transformation

hero's journey

Teaching hard work and resourcefulness, persistence. Holding space for others. Not throwing out the baby with the bathwater. Enjoying earthly and bodily pleasures, reveling in one's senses

achilles heel

Resistance to change, clinging to comfort zone, too much dependency on money/material world, doing instead of delegating, rejecting help (from people and the universe) and dogged DIY-ing, trouble maintaining peaceful long-term relationships or sharing power with others, addiction

build your following by

Consistency—finding one powerful message or stance. Sharing transformational tools and trainings to help your tribe achieve financial and emotional security. Helping others become self-sufficient, teaching them to "fish," cheering them on as they do the hard but necessary work. Art, music, beauty, aesthetics.

scorpio north NODE *prince*

A virtuoso musician with Taurus south node sensuality and a natural gift for the arts, Prince also lived up to his Scorpio north node as a sex symbol—literally changing the spelling of his name to a symbol! While racier songs like "Darling Nikki" and "Erotic City" won groupies, his most famous hit "Purple Rain" spoke to transcendent Scorpio themes of Judgment Day and redemption with his father. Sadly, Prince became addicted to painkillers when his hands hurt too much to play music and died of an opiod overdose.

gemini SOUTH

sagittarius NORTH

moving from

talk to action, thinking to believing, local to global

hero's journey

Bringing the spirit of community, "small batch" and grassroots creativity to a global or wider audience. Leaving the nest.

achilles heel

Manipulating with words, overpromising or not walking your talk, getting scattered in too many directions, analysis paralysis, wielding your intellectual superiority or "in the know" superpowers to feel better than others rather than to connect

build your following by

Being multipassionate for a purpose. Using your natural gifts as a trendsetter, writer and a walking search engine to uphold a higher mission that benefits the world. Teaching. Introducing people to new ideas, philosophies, books classes and DIY outlets to learn more about themselves. Introducing novel and fresh ideas.

sagittarius north

NODE *bill gates*

With his endless Windows operating systems and Microsoft world domination, Bill Gates has the geeky, gadgety side of the Gemini south node on lock. But he rose into his worldly Sagittarius destiny when he paired up with his partner, Melinda Gates, to create the charitable Gates Foundation—bringing equity around education, healthcare technology and economic resources to people worldwide.

cancer SOUTH

capricorn NORTH

moving from

Personal to professional, home to world, private to public, feminine/yin to masculine/yang

hero's journey

Overcoming fears of rejection, abandonment and self-doubt, triumphing over family troubles, defeating codependence. Creating deadlines, systems & regimens that don't stifle creativity

achilles heel

Not leaving home, staying "safe," resisting structure and rules, being like water without a container that runs everywhere, self-soothing with vices (food, drink), getting stuck in emotions

build your following by

Giving people a system for personal growth and success. Teaching others to use their emotions as superpower but not getting stuck in them. Bringing creativity and a personal touch. Empowering women, redefining gender norms. Championing the arts, sensitivity. Being "real."

capricorn **north** NODE *oprah winfrey*

Oprah's nurturing style, heartfelt sharing and devoted female following is pure Cancer south node. Yet she found her nodal sweet spot working through her own vulnerabilities and core emotional struggles with coaches and leaders (Capricorn north node) like Dr. Phil, Deepak Chopra, et al. Her personal growth work has inspired millions of others to transform their lives, too.

leo SOUTH

aquarius NORTH

moving from

self-gratification to activism, drama queen to disruptor, pampered prince(ss) to fearless voice of the disenfranchised

hero's journey

Bringing your royal flair and natural leadership to the people while leaving ego, drama and entitlement behind

achilles heel

Ego, arrogance, being too sure of yourself, not respecting those who've paid their dues, entitlement, snobbery, fancying yourself too much of a "royal"

build your following by

Using social media and technology to build a platform. Connecting through heartfelt storytelling, fierce and bold statements, outspoken championing of progressive social causes, humanitarian platforms. Using your beauty, charisma or creative talents to draw attention, then redirecting it toward a bigger mission.

aquarius north NODE *alexandria ocasio-cortez*

With her trademark Leo south node boldness, the Notorious AOC is a unafraid to fiercely challenge the establishment, freshwoman status and young age be damned. Wearing red lipstick, she taunts the FOX News crowd who've made her their scapegoat. While her Leo south node boldness can come on strong, she has positioned herself as an Aquarius north node champion of the people with her Green New Deal. She has also employed social media, the domain of Aquarius, to create community and connection with her followers.

virgo SOUTH

pisces NORTH

moving from

Analyzing to experiencing, giving to receiving, controlling to allowing, left brain to right, logic to intuition

hero's journey

Bringing quest for impeccability to meaningful and artistic ventures, your analytical and technical. Allowing yourself to be in the moment instead of judging or analyzing it. Sharing your flair for efficiency, craftsmanship and high technical standards.

achilles heel

Perfectionism, control, trouble receiving, self-soothing with destructive vices instead of properly managing stress

build your following by

Coaching, teaching, consulting. Showing people "how-to" content, giving step-by-step instructions on how to improve their lives or move from mystery to mastery. Teaching people how to follow a practice or the right steps to get to their goals with the least amount of struggle or wasted time and energy. Living a healthy but creative life.

pisces north NODE *jennifer lopez*

From her complexion to her dance moves to her style, "flawless" is J.Lo's Virgo south node *modus operandi*. And she brings her impeccable technique to the Piscean realms of beauty, performance and music. Her string of public romances, from the ill-fated Bennifer era to dancer Caspar Smart to A.Rod, also express the Virgo south node conflicting desire to let go of control and surrender to Piscean fantasy.

libra SOUTH

aries NORTH

moving from

(co)dependence to autonomy, best supporting actor to star, passive to assertive

hero's journey

Using your natural diplomacy and relationship skills to be a benevolent leader, shifting from caretaking/enabling to empowering

achilles heel

people-pleasing, dependence, hiding behind others with more "stage presence," sacrificing for the good of the group, passive-aggressiveness, attracting angry people until you learn to healthily express your own anger

build your following by

Championing people's right to have a voice, using your relationships and network for a greater cause, being a role model of fairness and excellence, teaching healthy conflict resolution, building bridges as an ambassador, bringing people together across differences for a common cause or fight

aries north NODE *caitlyn jenner*

After years of hiding her desire to live as a woman, Caitlyn Jenner transitioned from male to female in 2015, completing her sex reassignment surgery in 2017. Prior to this, she was married three times, fathered six children and she expressed the competitive side of the Aries north node as a star Olympic athlete. But when she truly stepped into her Aries north node individuality, she left behind her role as the grumbling and misanthropic Kardashian "house dad" to live on her own terms.

scorpio SOUTH

taurus NORTH

moving from

Intensity to integrity, secrecy to public presence, being bound and defined by relationships to being your own self-sufficient person, becoming untethered from complicated entanglements

hero's journey

Finding happiness and humility in simplicity, breaking free from controlling power dynamics, using your natural power and influence for good, persisting in the face of extremes

achilles heel

Dependence on your network for financial status and power, addictive tendencies, power and control struggles, intensity that can be overwhelming, secretiveness, extreme highs and lows

build your following by

Wielding your power for good, strategic partnerships, teaming up with influential people, selectively teaching others to be powerful and influential, spreading a message of transformation, making wise investments, shrewd and well-timed moves

taurus north NODE *martin luther king jr.*

He had a dream—and the Taurus north node tenacity to stick with it through marches, boycotts and oppression, never wavering from his principle of non-violent resistance. Though his life ended in an extreme Scorpionic assassination, his timeless and transformational message created a lasting legacy that impacts society more than 50 years later.

sagittarius SOUTH

gemini NORTH

moving from

Global to local, big and lofty to specific, grandiosity to connection and listening, ivory tower IQ to street smart

hero's journey

Bringing all the diverse and disparate threads of your experience into a clear, cohesive mission. Unifying people around a common, world-bettering cause.

achilles heel

Being a course junkie/jack of all trades, being a know-it-all or dogmatic/preachy, restlessness and grass-is-greener syndrome

build your following by

Writing, publishing, teaching, public speaking. Bringing academic studies and credibility to your platform. Using academic credentials or worldly life experience to help a targeted group or to spread a specific, clear message. Translating your philosophies into a down-to-earth and clear agenda. Getting in dialogue with your audience.

sagittarius north NODE *brene brown*

One glance at Brown's stockpile of philosophical books, backed by decades of her academic research, reveals her Sagittarian south node proclivities toward higher education and publishing. But when she stepped out of the ivory tower to deliver her "for the people" TED talk, *The Power of Vulnerability*, her Gemini north node superpowers activated.

capricorn SOUTH

cancer NORTH

moving from

Public to private, corporate to personal, masculine to feminine, head to heart, being the "provider" to being the nurturer

hero's journey

Balancing head and heart. Allowing space for creativity while still holding people accountable. Using your innate business sense or hard work ethic in service of creativity. Learning empathy.

achilles heel

Rigidity, workaholism, may struggle to break rules or convention, doggedly persisting instead of allowing change, providing for everyone at your own expense, lack of compassion & empathy

build your following by

Giving followers a clear, step-by-step process to connect with their emotions. Coaching and simplifying what may seem overly complex. Teaching people structure and integrity, how to move beyond making excuses and become self-sufficient.

cancer north NODE *michelle obama*

A Capricorn Sun *and* south node, Obama is the pillar of integrity who stood shoulder to shoulder with her husband through his 8-year presidency. She expressed her Cancer north node as the inspiring mother of two White House daughters. Her "Let's Move" and "My Plate" initiatives were nodal effort to tackle childhood obesity with a simple (some felt overly so) system for healthy eating and exercise.

aquarius SOUTH

leo NORTH

moving from

backup dancer to solo star, group to individual, going along with the herd to blazing your own trail

hero's journey

Bringing Aquarian values of social justice, inclusivity and cooperation to the wider world. Teaching tolerance.

achilles heel

Hiding out in a group, people pleasing, drifting too far off the grid, getting lost in a subculture, following instead of leading

build your following by

Performing, championing the arts, gathering people around a common heart-stirring cause, storytelling. Displaying your regal magnificence and/or encouraging them to reveal theirs

leo north NODE *beyonce*

After launching her career through many years performing in the group Destiny's Child, Beyonce became a ubiquitous solo star. However, she continues to collaborate and tour with husband Jay-Z and has repaired the rift with her groupmates Kelly Rowland and Michelle Williams, performing together at the Superbowl and stoking rumors of a reunion.

pisces SOUTH

virgo NORTH

moving from

Drifty dreaming to intentional action, right brain to left brain, intuition to analysis

hero's journey

Protecting creativity and empathy, safeguarding the spirit, championing the arts, guiding people to heal, using beauty as a transformational tool

achilles heel

Avoiding real-world details (tending to paperwork, contracts, et al.), staying stuck in victim mode, following a guru, drowning in emotion

build your following by

Connecting through compassion, empathy, art, healing—then giving them practical tools to get themselves unstuck from trauma or upset. Introducing them to art, meditation, healing modalities. Chameleon-like transformations from the lowest depths to the highest heights. Photography, fashion, beauty and style.

virgo north NODE *kylie jenner*

A Forbes cover billionaire at 21, Jenner's Pisces south node vulnerability became her secret weapon. The poster child for living under the glare of public scrutiny, her awkward pre-teen years *and* her father's gender reassignment were televised. Jenner moved toward Virgo north node mastery—of makeup—and transformed into a Snapchat glamazon with filler and artful brushstrokes. Her Kylie Cosmetics brand was a wildly profitable hit—and a Pisces south node sleight of hand. Does anyone even remember what she looked like before?
